

Dear Parents/Guardians,

October 5, 2018

This is a preliminary note to see what interest level there is in attending Spirit Day. Students who return the form by Wednesday, October 10 will receive more information regarding costs, transportation and chaperones. Those details depend on the number of committed participants. Final costs have not yet been worked out, but I'm hoping to keep it under \$70 per student. In order to make this trip a reality, we need parent chaperones to accompany us and drive.

The grade 7 students have a great opportunity to attend Spirit Day in Vancouver on **November 3! Spirit Day** is designed to celebrate the Grade Seven students of our Archdiocese. All students are welcome. This event will get participants excited about receiving the Sacrament of Confirmation, and awaken the Holy Spirit in the young and the old alike. The day will include sessions, testimonies, games, music, skits, prayer, food, and Mass. I have attended this event a few times and it is very worthwhile for all students!

Not all details have been worked out, as we need to know how many people will attend the event. Here are some details that I have:
