For Immediate Release

### **Grade 8/9 and Special Education Teacher Hired**

Assumption School is pleased to announce Ms. Angela Gatt (soon to be Mrs. Bennett) will be the new grade 8/9 and Special Education teacher, effective September 1, 2020.

Angela and fiancé Ryan are both originally from Powell River and they are excited to relocate here for the fall. She enjoys scrapbooking, reading, drinking tea, and spending time with their 2 dogs.

Angela has a Bachelor of Education with a minor in curriculum and instruction as well as a Bachelor of Science specializing in biology. Currently, Angela teaches Grade 4 at Bert Ambrose Elementary in Fort St. John and has been teaching since 2011. Over the last 9 years she has also taught Grades 3 and 5 at four different public schools. She has taken students up to the grade 12 level to the National Science fair on several occasions. Angela is excited to work at a Catholic school where she has the ability to share her Catholic beliefs with students.

Angela is proficient in technology, is inclusion minded and community connected. She teaches skills and competency based learning through differentiation, inquiry and hands-on approaches. She is also well known in the Fort St. John school district for the flexible seating in her classroom.

Angela is a positive, upbeat, and energetic teacher who comes highly recommended by past principals. We look forward to Angela joining the Assumption School community!
