News from the Principal

April 15, 2020

Hello families!

I hope you all had a blessed Easter weekend and got to enjoy some of the beautiful sunshine we've been having. I spent time weeding in my garden and playing with my daughter Natalie while my husband formed a new sidewalk in our backyard. Watching Easter Sunday Mass on TV felt a little weird, but it's only temporary. Soon we'll all be back together again.

Confession

Since the church is closed due to COVID-19, our pastor Father Tepoorten has come up with an ingenious way to continue offering the sacrament of confession to our parishioners – in the car! It's not quite 'drive-thru' confession, but almost! Beginning today until further notice, Father T or Father Prashanth will be in their vehicle parked beside Assumption Church. From 11-11:30am daily, you can have your confession heard by one of the priests. Simply pull up beside the priest in your own vehicle, and speak to him from your driver's seat, with your window down. Thank you Father T for thinking outside the box.

COVID Tuition Assistance

I wanted to remind families that this Friday April 17th is the last day in which families can reach out to us for tuition assistance before the April 20th bank withdrawal.

Please contact me by email lberg@cisva.bc.ca or call the school office to have us email you the form to fill out (604) 485-9894
