News from the Principal

April 6, 2020

Hello families!

I hope you've all been able to connect with your children's teachers so far and are finding the silver lining in what can be an overwhelming situation. Do remember that we are not trying to and cannot replicate the classroom experience at home. You the parent will determine when and how much your child can accomplish at any given time. Establishing and maintaining a connection with our school community is of the utmost importance right now for our students and staff.

This is a very important week for Catholics. Why? Watch this YouTube video called
