Update on Mr. Watson

As you may have read in a November Newsletter from the Principal, one of our teachers, Mr. Mark Watson, is currently experiencing some serious health problems.

Mr. Watson has had surgery recently and is off work recovering. His return date is unknown at this point. Being a community of faith who believe in the power of prayer, we ask that you please keep him and his family in your prayers. Our students have been preparing a spiritual "bouquet" of prayers for his healing over the past few weeks. Students wishing to send more personal well wishes can drop off notes or cards at the school office.

Many of you may have seen a *GoFundMe* page that was set up to assist his family during this time. For those who would prefer to make a donation in person, we have started a collection in our school office that will be passed on to Mr. Watson prior to the Christmas break. Families can drop off donations directly at the school office with myself, Mrs. Cappiello, or send it in to your child's teacher.

We thank everyone in advance for your prayers and generosity.

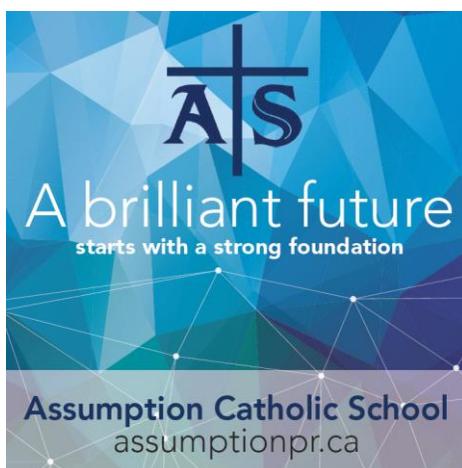

Christmas Concert

Our concert is being held this coming Thursday December 20th. The rehearsal is at 1pm and the main concert is at 6:30pm. As per fire marshall regulations, we have to zip tie the chairs together in case of an emergency evacuation. Anyone able to help set up and zip tie the chairs together is welcome to come in Thursday morning at 9:15am. Thank you in advance!

Breakfast Program

We are looking for volunteers to be "on call" breakfast program volunteers in case one of our regular ones is sick or unavailable. The shift is from 8am until approximately 9:30am on Mondays and Wednesdays. Please contact the school office if you're interested/able to volunteer for this activity.

Do you know children who would thrive at Assumption School? We bet you do!

Simply put, to be our best, Assumption needs more students registering. This year, parents, the power is in your hands.

We're hoping that each Assumption family will invite two more families to join the school! Our marketing coordinator's goal is 200 students registered for the 2019/2020 school year (currently there are 122 students). To help you do that, Assumption's Parish Education Committee has created marketing materials: brochures, postcards and stickers to hand out to families, a new web site, car decals and magnets to show your school pride, and more.

This year's slogan is, "A brilliant future starts with a strong foundation."

Please stop by the booth at Thursday's Christmas concert to pick up promotion packages and decals for your car.

Don't be shy about reaching out to your community and drawing new students in. Everyone benefits from an excellent education.

♥ Mrs. Berg
