December 5, 2018

Christmas Sweater Day

To add a little more festive spirit to December, next Thursday will be **Christmas Sweater Day** as well as a **PTA sponsored FREE hot lunch!**

While this dress up day and hot lunch are both free, we are doing a collection of non-perishable food items for Christmas hampers being distributed by our church this month. Donations can be brought in until Friday December 14th since the hampers will be assembled that weekend.

Skating

It has been brought to my attention that in all Learn To Skate programs across Canada as well as anyone on minor hockey ice must all be in helmets when skating. While our notice home about the Winter Wonderland skating says helmets are recommended, **the wearing of a helmet will be mandatory** for these skating sessions. If your child has a helmet at home they can bring, please send it in with them on their skating day. Thanks for your cooperation!

Grades 4/5-9 – Friday December 14 from 1:30-2:30pm

K – grade 3/4 – Tuesday December 18 from 1:30-2:30pm

Post Christmas Bottle Drive

Our PTA is organizing their second bottle drive of the school year for Sunday January 6th from 9am-3pm. Please save your bottles and watch the volunteer portal for volunteer timeslots. The last bottle drive made over \$700 so with the extra holiday festivities we're hoping this one will be even more successful!

Grocery Cards

Our school year goal for profit from grocery card sales is \$10,000! So far since July we've made \$3200. Please help us reach our goal by purchasing grocery cards for Save On Foods, Safeway, Quality Foods, and Mitchell Brothers through the school office. We accept cash, cheques, or credit cards (through the Square processing app – 2.65% fee deducted from fundraised total). This is a great dollar for dollar fundraiser which benefits our school a lot.
