Back to School BBQ

Mark your calendars for our back to school barbeque and meet the teacher night on September 6th. We would appreciate knowing if you plan to join us in this community building event so we know how much food to buy and prepare.

RSVP on the Event Brite webpage if you plan on attending this FREE event to let us know how many adults and children in your family will be joining us. We're looking forward to a fun evening of socialization!

Year End Wrap Up

I would like to thank each and every person who has made this past school year as special as it was. For those of you at our final assembly, this may be a bit repetitive, but I'd like to highlight a few numbers from this past school year.

We've raised **\$17,452.47** for the Bridget Bigold Memorial Tuition Bursary from so many generous donors since its inception in March!

In one of our fundraisers alone we raised **\$5100** to assist families who struggle with tuition fees.

Our PTA served **11** student hot lunches plus **1** for the staff!

On Hallowe'en, our students trick or treated in the local neighbourhood with their buddy classes and collected **960** non-perishables for the food bank in just over **60** minutes. How amazing is that?

We had **182** school days of full of fun and learning plus **10** monthly assemblies.

At our **1st** annual combo Meet the Teacher / Back to School Barbeque we had **155** people in attendance.

5 volunteers made approximately **1830** eggos in breakfast program sponsored by the Tla'amin Nation. I wrote **39** weekly versions of "News from the Principal".

Countless hours of work were done by our **12** volunteers on the executive boards of the PEC and PTA. Most importantly, there were **150** Assumption School students and staff, who truly make this job so special!

Have an AMAZING summer!

♥ Mrs. Berg
