### Where is Mrs. Berg?

If you've missed my smiling face in the school this week it's because I'm in Vancouver doing an evaluation of another school within our Catholic system, Our Lady of Perpetual Help. All CISVA schools undergo cyclical CISVA and BC Ministry evaluations to ensure we are achieving excellence in our planning and instruction (Assumption's last one was last October). This is my first year on the evaluation side of the coin and it's been an awesome learning process. I'm lucky to be on the evaluation team with Maureen Moorehead, my mentor principal from St. Paul's School in Richmond.

### Purdy's & Poinsettias!

Our PTA has two amazing winter fundraisers right now and both orders are due back next Friday Nov 23<sup>rd</sup>. Our annual poinsettia (as well as planters and wreaths this year) fundraiser is always a favourite and is very important for our PTA fundraising. A new initiative this year is Purdy's Chocolates seasonal catalogue fundraiser. Grab your favourite chocolates (hedgehogs anyone?) for gift giving or entertaining and support our school in the process 😊

Campaign #40719

### New Website

In case you missed it last week... Our new website is live and it's amazing! We're very fortunate to have had parents Alex and Jolene Sutcliffe design the new website for us.

Check it out here: <http://assumptionpr.ca/>

### Bottle Drive

Mark your calendars! Our PTA is having their second bottle drive of the school year on Sunday January 6<sup>th</sup>. Hang onto those Christmas empties (who likes sorting and returning them anyway?! ) and bring them by the gym for our fundraiser. More details to come!

### Drop Off Procedure

Parents are reminded to only drop off students at the yellow gate, not the main door of the school. Please do not get out of your vehicle in the line up at the yellow gate as it causes congestion and I have noticed vehicles passing other vehicles that are stopped in the drop off line in the morning which could easily turn into an accident involving a student. If you need extra time or wish to get out of your vehicle, please park in a marked stall so that the safety of our students can be everyone's utmost priority and responsibility.
